

WINE & SPIRITS MAGAZINE - 93

EXCEPTIONAL - "Classic cabernet & classic Washington. Tobacco & cedar over exotic green scents tell you it's cabernet, and that bright & generous red fruit tells you you're in Washington. Warm in tone, this has a rich red cherry flavor that gains focus from a crystalline minerality. It's clean & precise in the finish, the minerality sufficient to pair with something equally classic, like grilled lamb chops."
