WINEMAKER'S COMMENTS

This wine is rocking it right from the start with nuances of Meyer lemon, baked apple and spice on the nose. On tasting, one is struck by both the elegant body of the wine and the lively acids sparkling along the sides of the tongue. Flavors of apple, pear, citrus and cardamom fill the palate. The lingering finish is that of a decadent caramel. Pair this wine with porcini mushroom risotto with white truffle oil and halibut. Cheers!
